## Veolia North America Receives Intel's Preferred Quality Supplier Award

**BOSTON, MA - March 7, 2019 – Veolia North America has been recognized by Intel as a recipient of a 2018 Preferred Quality Supplier (PQS) award. The PQS award recognizes companies like Veolia North America that Intel believes have relentlessly pursued excellence and conducted business with resolute professionalism.**

“Intel’s award winning suppliers are critical to Intel’s success,” said Jacklyn Sturm, corporate vice president and general manager of Global Supply Management at Intel. “As we grow into new markets with evolving and expanding product quality and performance requirements, these suppliers continue to rise to the challenge to collaborate, innovate and win together.”

To qualify for PQS status, suppliers must exceed high expectations and uncompromising performance goals while scoring at least 80 percent on an integrated report card that assesses performance throughout the year. Suppliers must also achieve 80 percent or greater on a challenging continuous improvement plan and demonstrate solid quality and business systems.

Additional information is available at the [Intel Newsroom](#).

### **About Veolia**

Veolia group is the global leader in optimized resource management. With nearly 169,000 employees worldwide, the Group designs and provides water, waste and energy management solutions that contribute to the sustainable development of communities and industries. Through its three complementary business activities, Veolia helps to develop access to resources, preserve available resources and to replenish them.

In 2017, the Veolia group supplied 96 million people with drinking water and 62 million people with wastewater service, produced nearly 55 million megawatt hours of energy and converted 47 million metric tons of waste into new materials and energy.

Veolia Environnement (listed on Paris Euronext: VIE) recorded consolidated revenue of USD 30.1 billion in 2017. [www.veolia.com](http://www.veolia.com)
