

# Internship Opportunities

## Veolia Water Milwaukee

### Position Summary:

The summer intern is expected to perform a variety of routine work such as basic grounds maintenance, tank washing, and light custodial work necessary to maintain the appearance of the facilities.

This internship opportunity is ideal for students who are interested in Wastewater Management, Environmental Science, Natural Resources, and Technical Trades.

### Student Requirements:

- Have college level standing at an accredited university or college in Spring and Fall, 2020. (Spring, 2020 graduates are not eligible)
- Must pass pre-employment testing (i.e. drug test, physical, background check)
- Must possess a valid Wisconsin Driver's License
- Mandatory Start Date: Wednesday, May 27, 2020.
- Mandatory Ending date no later than August 28, 2020.

### Desired Skills:

- Previous grounds maintenance and/or wastewater experience
- Must be able to perform and complete tasks with minimal supervision
- Must be dependable, on- time, and respectful
- Has an interest in working outdoors

### Benefits:

- Starting rate of pay \$14.50/hr. for first time interns, and \$15/hr. for returning interns.
- Work Hours: Monday – Friday 6:30 A.M. to 2:30 P.M.
- Interns will be provided company paid PPE.

### Application Process:

Qualified applicants should email a resume to [Kathi.Schmeling@Veolia.com](mailto:Kathi.Schmeling@Veolia.com) by **Friday, April 3rd** and indicate "Summer Intern 2020" in the subject line.

Hiring preference will be given to dependents of Local 366 represented employees. Be sure to specify how you are connected to current Veolia Water Milwaukee employees in your email.
